All about us...

Edisford Day Nursery is a dedicated, family run small group of children's nurseries located in Clitheroe. Our passionate team of caregivers is committed to providing a nurturing and stimulating environment for children to grow and thrive. With a focus on early childhood education, we offer a range of activities and learning experiences tailored to each child's individual needs. The nurseries mainly operates on recommendations which is a testimony to the standard of care provided.

Our Aim..

Our aim is to provide a service, which more than satisfies the children's, staff's and parent's needs, by keeping them well motivated and enthusiastic and being sensitive to their uniqueness. At Right Start Day Nurseries we believe it is important that the children in our care are guaranteed a happy and secure environment. They will be able to enjoy learning through play and to develop to their fullest potential in surroundings where children and staff can take advantage of our beautiful setting and creative activities.

The staff team work together in order to provide a secure and stimulating environment within the nursery. Everyone is dedicated to developing creative and imaginative ways of supporting your child, promoting their development in all areas and offering the highest standard of care possible.

This will enable your child to develop a lively and inquisitive mind, gain confidence and independence and begin their education while having fun and making friends.

As a small company we pride ourselves on the unique service we offer all of our families. We will work with you and your child, to ensure that they have every opportunity to achieve to their fullest potential, in a way which is fun and engaging, while offering flexibility and a fantastic price.

For eligible children, we offer 15-30 funded hours (term time) in a variety of different ways, including stretching your funding to attend all year round. This enables you to decide how the sessions will work best for your child. We offer term time only and flexible patterns.

In the Pre-school...

As your child turns three they will move into our Pre-school. Here your child will have the opportunity to really develop their way of thinking as they explore being scientists, artists, mathematicians, singers, actors, architects and gymnasts. In fact they can be anything they wish. They will begin the journey of preparing for school, developing the skills they will need and gathering the knowledge to give them a good start before they get there. Our language sessions will help kids build a strong foundation to become great readers and writers! Walks and adventures outdoors will develop physical skills and confidence and using your child's interests will ensure they are engaged and ready to learn. Your child will be entitled to fifteen funded hours from the start of the term after their third birthday. Some families will be entitled to the extended 30 hrs funding.

Key Workers...

On entry to the nursery your child will be assigned a Key Worker. They will be responsible for the day to day care of your child, enabling them to form a strong and trusting relationship with your child and you as their parent. We find this helps with the settling process, and routines, especially for the younger children.

Your child's key worker will observe your child's development and plan activities specifically for their benefit. Your child's observation file will be made available for you to view at any time and your key worker will be available to discuss any queries, concerns or aspects of your child's progress.

Healthy Eating

At our nursery, we believe that healthy eating is the foundation for happy, energetic little ones! We are excited to share that we partner with an off-site caterer who provides delicious, nutritious meals tailored to meet the needs of our children.

Parents have the flexibility to pre-book their little ones' meals with the vendor, ensuring they enjoy a variety of wholesome options throughout the week. For those who prefer a more personal touch, we welcome packed lunches from home, encouraging families to get creative with healthy choices!

In addition to our lunch offerings, we also prioritise nutritious snacks and breakfast to fuel our little learners for a day full of fun and exploration.

Every morning, we provide a wholesome breakfast to kick-start their day, and in the afternoon, our tasty snacks keep their energy levels up as they play and learn. We're committed to fostering healthy habits from an early age, and we love working alongside parents to make mealtimes both enjoyable and nourishing for our children!

The EYFS...

The Early Years Foundation Stage (EYFS) was revised and amended in September 2023. The EYFS was devised to ensure that all children get the best possible start in life and support to fulfil their potential. It is recognised that a child's early years experiences have a major impact on their future life chances and a happy childhood provides the foundation for children to make the most of their abilities and talents as they grow up. The EYFS is the framework which helps all providers to provide this.

Implementing the EYFS...

At Right start day nurseries we are committed to ensuring that we fully meet all of the requirements and guidelines set out in the EYFS. All our rooms are arranged into specific areas of continuous provision, with especially chosen resources to offer the most to the children. We recognise that you, as parents are the most knowledgeable about your child. We appreciate the extra insight you can provide. The EYFS is about children as a whole, not just while they are at nursery. Please tell us about things your child has done, and is interested in, so we can include it in the assessment, observation and planning process.

Outdoor Play...

The EYFS puts an even greater focus on the importance of outdoor play for children, of all ages. We have a large garden change to we have access to our own pre school area as well as the schools grounds too with ample space which we make great use of daily for the children. We are continually improving the outdoor provision we have to offer, but even what appear to be simple resources can provide invaluable learning opportunities for your child.

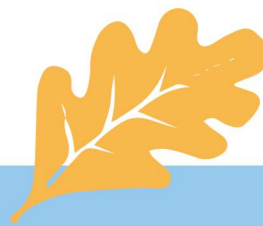

If you are interested in a place at Edisford Day Nursery you will need to:

Get in touch to arrange a viewing. This will enable you to see the nursery and to ask any questions you have.

If your child will be attending for funded hours only, you will need to provide a copy of your child's birth certificate and to complete the funding form to secure their place.

We do not require a deposit to confirm your little one's place. We will however, require your completed registration form along with a copy of your little one's birth certificate and for you to complete a funding form for those using their entitled funded hours.

At the induction we will book settling in sessions. These are free of charge, but we feel they are important to ensure that both you and your child are comfortable on their first day.

As a setting we are committed to developing a good relationship with the children and their families. As a parent, we recognise the importance you have in your child's development. We will provide you with regular updates on your child's assessments and areas we are working on. We hold annual parents meetings to discuss your child's progress and expect you to share information on the achievements your child has made at home. Working together we can ensure that your child has the very best start to their education

Parent Testimonials...

My son absolutely loves his time at pre school. To the point where he sometimes needs persuading to come home! The fun filled activities and themed weeks show just how much time and thought goes into enriching his learning.

Pre School Parent

The staff all seem to genuinely love their jobs, they speak of my son with such fondness that it really reassures me he is in good hands. Couldn't recommend enough.

Pre School Parent

My daughter loved this nursery - the staff were wonderful and she loved her time there before moving seamlessly into the school.

Pre School Parent

Absolutely amazing Pre-school. All the staff are absolutely lovely and warming. The learning is always so purposeful and well thought out, with regular changes to themes. There is always a wide range of activities going on inside and out to help the children develop and grow. We love hearing all about it.

Pre School Parent

The progress I have seen in my daughter since she started at Edisford is remarkable. The children are engaged in so many different activities which are documented on WhatsApp each day for the parents to see so they are kept up with all the fun times.
